## Instructions:

- 1. Print your shipping label & packing slip. Cut along the guideline.
- 2. Place the packing slip and the items you're returning inside the box they came in (or another sturdy box). If you're reusing a box, be sure to mark out any older addresses and barcodes on the outside. Tape it up and clearly affix the shipping label to the outside top of the box.
- 3. Now just ship your return.
